Changes made to the 2014-2015 CHS Student Handbook

CAFETERIA (pg 12)

The lunch period is closed to the student body which means students may not leave nor have commercially prepared food delivered to them. Students who violate the closed lunch policy are subject to reasonable disciplinary action at the discretion of the disciplinary official. This disciplinary action can include detention, In-School Suspension, Wednesday School, and/or Out of School Suspension for repeat offenders.

The cafeteria environment and services have been upgraded and improved to include a variety of popular serve areas as well as the usual school lunch. Costs vary depending upon each student's selections. A computerized debit system will be used which will allow advance payment for meals and a la carte items as well as paying cash on a daily basis. All students will be required to enter their PIN number regardless of meal status or payment method, thus ensuring your child's privacy. There will be **no charging** for high school lunches.

Go to: www.celinaschools.org/Cafeteria.aspx under "Links" to add money or check the balance on your student's lunch account.

Student Code of Conduct (pg 39)

Rule 4. Dangerous Weapons, Instruments: A student shall not possess, use, transmit, conceal or handle any object, which might be considered a dangerous weapon or instrument that could cause injury or damage. These include but are not limited to **smoke bombs, fireworks or explosives of any kind, firearms, lighters, knives and pocketknives**. This includes "look alike" weapons. Students are not to bring laser pens/pointers to school at any time; improper use of these devices may cause physical harm to others.

Rule 5. Tobacco: A student shall not possess, use, transmit or conceal any tobacco or tobacco products (including snuff, **electronic cigarette** or smokeless tobacco). This prohibition applies at any time the student is under the jurisdiction of the school.

School officials will adhere to following actions when dealing with student tobacco offenses:

First offense: Three (3) days In-School Suspension

Second offense: Five (5) day placement at the Alternative School and school officials will file a complaint with the Mercer County Juvenile Court.

Third offense: Ten (10) days Out of School Suspension with recommendation for expulsion and school officials will file a complaint with the Mercer County Juvenile Court.
